

EDUCATIONAL TRAIL ROHÁČSKE TARNY

This educational trail allows you to get to know a part of the nature of Roháč mountain. It begins at the crossroads Šindľovec and ends on the road near Adamcuľa. It might take up to 4 hours to complete the whole circuit.

Thank you for respecting the seasonal closure of hiking trails, which lasts every year from 1 November until 31 May, whereby you not only protect the nature, but also prevent unnecessary human lives endangerment.
